

A Community #ForAllAges

December 2018

Happy
Holidays

Whatever is beautiful, meaningful, and brings you happiness, may it be yours this holiday season and throughout the coming New Year ♥

What are the possibilities?

Collective Enoughness is the theory that together we have everything we need. Our county's age-related symmetry can be a great asset as each of us has a valuable perspective to contribute to creating a community for all ages. When we embrace words like "We" and "Us" we will discover that we can be united in this thing we call life.

Age-Friendly Sarasota Year-End Review

Grab a warm cup of coffee and a croissant, and prepare to enjoy the recap of an extraordinary year. Thanks to each as locally, nationally, and globally, we work together to create an age-friendly world. We've achieved a lot in 2018 and look forward to more intergenerational unity in 2019.
